

None of the bright lights for him. He wanted to come back. With a team never firmly in the first division he has won twelve games and lost three. Columbus is the only team that beat him twice. His son is better than when he was in

the Ban Johnson circuit and his fast ball has the old hop.

McQuillan's showing is also impressive, though not as much so as Morgan's, as he has been with a winning team. Only once has he been hit for more than eight safeties.

#### WHEN WILLIE RITCHIE RETAINED HIS CHAMPIONSHIP

The upper picture snapped July 4, at the San Francisco boxing arena, shows Referee Eddie Graney striding toward Willie Ritchie to hoist his hand in the air as a token of victory after Ritchie had landed a terrific left to Joe Rivers' stomach and followed with a right on the jaw, downing Rivers for the count. The lower picture shows Rivers on the floor completely dead to the world from the effects of Ritchie's heavy wallops.

Lunacy specialists in solemn conclave announce that persons with high artistic temperament are "looney." We'd been expecting it.
